## DRAFT BEERS

### Sample Menu

(Beers rotate daily – see Shultzys.com for the latest list)

**Veltins Pilsener** (Germany): Gentle malt, a subtle, dry finish and just a kiss of hops. Smooth! Possibly the best food beer in the world!

**Bitburger Pilsner** (Germany): Pale & light. Clean, soft maltiness and firm hop finish. Germany's first Pilsner originally brewed in 1883.

**Hoegaarden White Bier** (Belgium): Light, refreshing white wheat beer. Unfiltered, spiced with coriander and dried Curacao orange peel.

**Maisel's Weisse** (Germany): Bavarian hefeweizen at its best! Light amber color, aroma and flavor evocative of apple, banana, clove and nutmeg with a tart, refreshing, finish. 5.2% ABV.

**Chuckanut Marzen** (Bellingham, WA): Classic Oktoberfest-style beer brewed here in Western Washington. Bronze, smooth, round, and slightly sweet. A perfect match with a burger or brat.

**Köstritzer Black Lager** (Germany): Jet black with smoky aroma & flavor profile. Surprisingly light body with a smooth clean finish.

**Paulaner Salvator** (Germany): The original Doppelbock. Created to replace bread during lent. Strong, malty, complex, and balanced. Hints of molasses and apple. (7.9% ABV)

**Deschutes Hop Henge** (Bend, OR): An "experimental" IPA back in 2006, Hop Henge is now an Imperial IPA with "extreme hop flavors". Centennial and Cascade hops are balanced by the sweet presence of crystal, pale, and carastan malts. **8.75% ABV, 95 IBUs**

**Hale's Nitro Cream Stout** (Seattle, WA) : Smooth creamy nitrogen stout with extra thick head. Chocolate background with subtle coffee and cream hints.
