## ABOUT SHULTZY'S:

In the mid-80's, Don Schulze decided to leave the corporate world and start his own business. Drawing on his family's traditions, he decided to create a restaurant specializing in high-quality, handmade sausages. After a year of testing and refining his recipes, Don and his wife Susan opened the original Shultzy's on March 13, 1989. With only a dozen seats around a counter and Don making sausages and working behind the grill, Shultzy's quickly developed a reputation for tasty lunches in a fun, convivial atmosphere. Shultzy's popularity led to long lines daily; so in 1999, Shultzy's moved a few doors down the Ave to its current location. Shultzy's has since been able to expand its menu, add a full bar, and open from breakfast to midnight daily. Despite those changes, the founding principles of Shultzy's remain the same: great-tasting handmade foods and beverages in a fun, casual atmosphere.

Shultzy's doesn't believe in serving precooked food: your meal is cooked to order. Fresh-cooked items may take a little longer to serve, so please tell your server if you are in a hurry.

In addition to our food, we offer nine beers on tap, and rotate those taps frequently to present the most quaffable beers in the world. We pride ourselves on our beers and cocktails almost as much as we do on our food. Ask us and we'll be glad to help with selections.

Welcome and we're glad you're here!

Don, Susan, Emily & William Schulze, and the management & staff of Shultzy's
