DRAFT BEERS

Today's Selections

Our beers rotate on a daily basis, so this is a representative list.

Veltins Pilsener (Germany): **Shultzzy's Exclusive!** Soft, gentle malt, light golden body, and a subtle, dry finish with a kiss of hops. Possibly the best food beer in the world!

Bitburger Pilsner (Germany): Pale & light. Clean, soft maltiness and firm hop finish. Germany's first Pilsner originally brewed in 1883.

Hoegaarden White Bier (Belgium): Light, refreshing white wheat beer. Unfiltered, spiced with coriander and dried Curacao orange peel.

Ayinger Bräu Weisse (Germany): Brewed since 1878. Beautiful pale color and distinctive banana aroma. Mild clove background with a refreshing citrus finish. Platinum Medal winner at WBC 2001-2007.

Köstritzer Black Lager (Germany): Brewed since 1543. Distinct black-smoky aroma & flavor profile. Surprisingly light body for a dark beer. Malty character with a smooth clean finish.

Spaten Ur-Märzen (Germany): Created in 1872, Ur-Marzen was Germany's first Oktoberfest beer. Medium-bodied and complexly flavored with the perfect balance between roasted malt and hops. 5.9% ABV

Pike IPA (Seattle, WA) : A Seattle favorite since 1990, Amber-colored, with a strong malty backbone and the potently aromatic hops you'd expect from a Northwest IPA (6.3% ABV).

Paulaner Salvator (Germany): The original Doppelbock. Created to replace bread during lent. Strong, malty, complex, and balanced. Hints of molasses and apple. (7.9% ABV)

Snoqualmie Black Frog Oatmeal Stout (Snoqualmie, WA): Chocolate aroma and roasted coffee flavor. Light bodied for a stout and ultra- smooth due to rolled oats and nitrogen charging.

Automatic 20% pretax gratuity for groups of 6 or more.

CAN'T DECIDE? TRY A BEER SAMPLER

German Beer Sampler: 5-ounce glasses of four of Germany's finest beers, representing the most popular German brewing styles.

Custom Sampler: Choose your favorite four different beers.
